### **Q: When is the best time to take LimuZ6 Plus?**

A: The best time to drink LimuZ6 Plus is on an empty stomach with 2-4 oz. of water at least 20 minutes before a meal; as it was designed to be fully absorbable by the body, and any other foods or beverages may reduce bioavailability. Time of day is dependent upon your personal tastes.

### **Q: What can LimuZ6 Plus do for me?**

A: Many have reported inch loss and improvements in; mental clarity, energy, focus, digestion, vision, overall well-being, plus a reduction in symptoms associated with fatigue, diabetes, high blood pressure, arthritis, and aging. Additional benefits such as improved skin and positive mood are reported.

### **Q: How long does it take to feel a difference?**

A: We have had people tell us they have noticed a difference in 15 minutes. However, please remember that each "body" will respond differently to LimuZ6 Plus; some sooner, some later!

### **Q: What is a metabolic trigger?**

A: A metabolic trigger means that LimuZ6 Plus has a synergistic blend of nutrients that sets your nutritional assimilation process in motion to absorb the nutrients optimally, which in turn triggers your metabolism. This metabolic triggering may only take 15-20 minutes while others may experience the triggering within an hour.

### **Q: What are the specific nutrient values of LimuZ6 Plus?**

A: The specific ingredients of LimuZ6 Plus are as follows: Acai Berry Pulp 4:1; we take four (4) pounds of pulp and mesh it down to an equivalent one (1) pound of highly concentrated powder.

True “First Milking” Colostrum powder taken within 6 hours after birth; 40:1 Laminaria Japonica powder; Pure Fucoïdan extract at a 90% base; Zeolite, micronized for assimilation and with a GRAS rating; Fucoxanthin, to activate the UCP1 or uncoupling protein, human studies have shown an incredible loss of fat, in particular, belly fat and Acetyl-L- Carnitine at 1000mg per dose which has benefits for weight loss, the heart, cognitive function and more. Additionally, LimuZ6 Plus has the same electrolyte balance as sports drinks which activate immediately upon drinking.

Regarding specific nutrient values - we do not disclose these values because they are proprietary in nature. All ingredients from LimuZ6 Plus are bioavailable and are utilized in triggering the metabolism. LimuZ6 Plus is so bioactive, it literally will try and activate while still in the packet.

**Q: How is LimuZ6 Plus manufactured?**

A: One of the world's most renowned formulators created this potent combination of LimuZ6 Plus's most nutrient rich parts – 100% natural, no chemicals and no preservatives. LimuZ6 Plus is overseen by Dr. Anthony Kleinsmith, manufactured and processed within facilities that are FDA and GMP compliant to ensure you get all valuable nutrients.

**Q: Why is LimuZ6 Plus in packets?**

A: We chose the packet for several reasons - convenience, safety and protection. No foreign objects will ever get into the product and cause harm to the consumer. Sealed packets provide a 100% light barrier which protects nutrients and potency. The packets interior has been safety coated with an approved food-grade, plastic-free coating. Plus, you can take them with you on an airplane!

**Q: Is LimuZ6 Plus Kosher or Halal certified?**

A: Yes. LimuZ6 Plus’s ingredients are Kosher and Halal certified.

**Q: What scientific studies support the Ingredients in LimuZ6 Plus?**

A: In the last twenty years, extensive research articles, theses and reports have been published. Newspapers, scientific journals, and documentaries have been featured on the major components; Acai Berry Pulp, Colostrum, Laminaria Japonica, Fucoïdan, Zeolite, Fucoxanthin and Acetyl-L-Carnitine.

**Q: Is LimuZ6 Plus safe?**

A: There are no contraindications for any of the components found within LimuZ6 Plus. With the blend of "Mother's Milk" from the land—Colostrum and “Mother’s Milk” from the sea—Laminaria Japonica the very best foundation has been built for wellness; these two alone allow all the other components to be readily absorbed.

**Q: Are there any side effects?**

A: LimuZ6 Plus, due to its potency, may cause some to experience a detoxification or, the release of toxins from deep within the tissue. We have an article that explains this and what one can do to help overcome the symptoms. Please consult your doctor if you have health concerns.

**Q: Is LimuZ6 Plus safe to take with medications?**

A: We are not aware of any negative interactions. Please consult your doctor if you have health concerns.

**Q: Why does LimuZ6 Plus use Immune Tree Colostrum?**

A: Immune Tree Colostrum<sup>6</sup> has been tested by Dr. Don Lein, Professor Emeritus, and Cornell University, which has been ranked as the number one school in the world for testing colostrum. Dr. Lein specifically states that Immune Tree Colostrum<sup>6</sup> from Dr. Anthony Kleinsmith is the ONLY true colostrum in the world based on the science of today and not the science of 50 years ago.

**Q: What sets LimuZ6 Plus apart from other supplements, beverages and liquid dietary supplements?**

A: Due to the ingredients and the formulation itself, the focus that LimuZ6 Plus has isn't just as an "antioxidant"; it has those properties found within it. However, it focuses on four major systems of the body **simultaneously**; Immune/Nervous/Endocrine/Pineal. Research and analytical tests confirm that LimuZ6 Plus has all the necessary components to allow the body to rebuild, reduce and repair; the next step to wellness isn't focusing just on antioxidants it is to focus on wellness for the entire body. LimuZ6 Plus is the first supplement that does just that but with an emphasis on the major systems that provide long term wellness and health.

**Q: Does LimuZ6 Plus lose any of the natural vitamins, minerals and nutrients from the effervescent process?**

A: No, LimuZ6 Plus is manufactured and processed using a unique stacked process that allows the ingredients to attach themselves to one another. Meaning, there is a synergy that happens when the blending of the ingredients occurs, which once activated by moisture activates all the ingredients together.

**Q: Does LimuZ6 Plus have more anti-inflammatory compounds and antioxidants than any other supplements?**

A: Before providing the specific information, you should know that antioxidants and anti-inflammatory compounds work best when combined with other antioxidants and anti-inflammatory agents. Nature allowed for a better efficacy when combined, a synergy of the compounds being much more effective than a single compound. LimuZ6 Plus contains the following antioxidants and anti-inflammatory compounds or compounds with antioxidant and anti-inflammatory characteristics.
